Fabric and momme guide

Fabric	Typical momme / weight	Hand and use
Silk chiffon	6-12 momme	Light, airy, semi-sheer; resort and layering
Silk twill	14-18 momme	Structured, print-friendly; daily wear and logos
Silk satin	16-22 momme	Glossy, fluid; evening, gifting, hair
Cashmere / wool	Woven weight on spec	Warm; winter shawls and wraps

We confirm the finished size after washing and finishing; shrinkage and hand-rolled edges can change the final measurement. Always approve a physical sample before bulk.
